ACTIVITY HAPPENINGS

A MESSAGE FROM SOCIAL SERVICES

Your rights as a citizen and facility resident Part One

The month of October was crisp and beautiful. Everyone enjoyed a number of activities and outings. We began our month with a delicious Ice-cream Social with the Daughters of Penelope. We also welcomed our monthly visitors from St. Haralambos, St. Demetrios of Elmhurst and Ahladokampos and celebrated birthdays with St. John's Philoptochos. We sang and danced to the music of Robbie's Halloween Show. We had a lovely time on our outings to the movies, Didier Pumpkin Farm and Demetri's Restaurant. We kept busy with our Tai Chi and Recycled Art classes and enjoyed the sweet treats we made during our Cooking Group. We are all happy to participate in the Pen pal Program with the students of Holmes Middle School. The residents love getting to know the students through their letters and look forward to meeting them in person.

We ended the month with two very special parties. Everyone came together to commemorate OXI Day. We danced to Greek music and enjoyed delicious Greek cuisine. Our Halloween Party and costume contest was a also great success. Staff dressed up in costumes and residents wore the masks they made during our afternoon craft time. It was a "spook-tacular" afternoon!

Our home participated in the Wheeling Community Health Fair and Open House which took place on October 15. We provided glucose and blood pressure testing to the attendees. The turn out was great and we received very good feedback from those that attended.

We look forward to the excitement of the holidays that next month brings, especially the family Holiday Brunch. We hope to see everyone there and would like to remind you to RSVP to the receptionist (847-459-8700) by December 1, 2011.

Introducing.....

Hi my name is Lauren Galuszka, I am very happy to be here at The Greek American Rehabilitation and Care Centre. I represent the Marketing Department. I come with a lot of experience in long term care. I started working in this industry as a volunteer at my high school in Lemont, Mount Assisi Academy. I attended a junior college for two years and then North-eastern Illinois University. While here at Greek American Rehabilitation and Care Centre, one of my goals is to increase our census so that we can grow and add needed services to our campus. Prior to coming here, I worked with Legacy Healthcare as a Regional Marketing Director, The Bethany Terrace in Morton Grove as an Admissions/Outreach Liaison and CJE Senior Life in both Admissions and Marketing roles. I hope to meet all of you soon!

Assisted Dining Training Program

In an effort to provide more assistance to our resident during meal times, our non-nursing personnel underwent a specialized 13 hour training program certified by the Illinois Department of Public Health. Now our activities and administrative staff are certified to assist in feeding designated residents, selected by the nursing department. Although the education was long everyone had a great time and it was capped with a graduation and certificate presentation. Thanks to all the departments for their cooperation a team effort.

Cooking Group
