**THE END OF SUMMER 'SAFE PLAY' GOLF OUTING  
September 21, 2020 at Rolling Green Country Club**

Dear Friends,

We hope this letter finds you and your Family well, staying healthy and safe during this unprecedented time in our history. 2020 has been a very challenging year for all of us. Life as we once knew it ceased, and a new normal emerged. As summer draws to a close, we would like you to join us for our one and **only planned fundraiser of the year, our annual golf outing.**

As Chairmen of this event, we have worked very closely with the Administration of the Greek American Rehabilitation and Care Centre (GARCC) and Rolling Green Country Club to present a great day of golf, while remaining vigilant on all procedures, safety measures and guidelines provided by the CDC and our state regulators. Social distancing guidelines will be implemented, and masks will be provided.

We want to reassure you that GARCC has adhered to all guidelines during this Pandemic to mitigate the spread of this virus within the facility. Some of our procedures included initiating a lockdown of our facility to all non-essential visitors including family members as of March 17, 2020, not accepting new admissions of short-term rehabilitation residents, heightened infection control practices and increased sanitation protocols, secured PPE, testing everyone facility-wide for temperatures daily, repeated facility-wide laboratory Covid-19 testing, and practiced good social distancing with our residents and staff.

The staff at the Nursing Home has worked diligently taking all precautions to ensure the residents' health and wellbeing. However, these procedures and PPE costs have quadrupled and have placed an enormous financial burden on the Nursing Home. All the proceeds from this Golf Outing will assist with the many expenses incurred during this Pandemic and assure the continuance of the quality care and well-being of our cherished residents that call the Greek American Rehabilitation and Care Centre their Home.

**Now, more than ever we need your help!** The success of this event depends on your participation and patronage. If you do not play golf or cannot attend the event, please find some space in your heart to make a much-needed sponsorship or donation to show your support.

Attached is the application for golf, sponsorship and general donations. Please show your support by choosing one, two or all three ways of fundraising.

**Thank you for your support,**
